Increasing digitisation is causing organisations to rapidly develop and change. New forms of management, media-supported forms of communication, a democratisation of decision-making processes, an increased sharing of responsibilities, virtual teamwork, and internationalisation. New forms and designs of coaching are responding to this.

**International Top Keynote Speakers** Carsten C. Schermuly and Matthias Schmidt (D), Douglas Riddle (USA, live transmission), Jonathan Passmore (UK), Barbara Josef and Joël Luc Cachelin (CH), David Clutterbuck (UK), Deborah Helsing (USA)
